TO: PUBLIC TREASURERS

Page 1 of 2 Pages

The Commissioner of Financial Institutions (DFI) has certified the following depository institutions to be QUALIFIED DEPOSITORIES eligible to receive UNINSURED public funds in the amounts shown, for the calendar quarter beginning April 1, 2011 and ending June 30, 2011. **However, DFI has stated that the only assurance a public treasurer has to prevent loss of public funds is to keep deposits under the FDIC or NCUA insurance amounts at any one qualified depository. If you place more than the insured amount at any qualified depository, you should perform your due diligence on that depository. This list supersedes the list dated October 1, 2010.**

CHANGES

Additions: None. **Deletions:** Allegiance Direct Bank Inc. has been dissolved and is no longer on the list. **Name Changes:** None. **Changes of note:** THE VILLAGE BANK DOES NOT HAVE AN UNINSURED ALLOTMENT. Their Tier 1 Capital has dropped below the 4.0% threshold required by law. Please either remove all uninsured funds from this institution or move your funds to an insured account as allowed by federal law.***Far West Bank has restructured and now has an uninsured allotment! They will continue with a 50% allotment until the federal action is removed.*** **There are some changes in allotments both up and down due to changes in capital or deposits in the state.***You as a public treasurer are responsible for making sure that your deposits into qualified depositories meet the criteria of the Act. If you are depositing funds over the maximum allotment in any one financial institution, you could be subject to penalties under 51-7-22. Please monitor your deposits.****

!!NOTE!!

All of the financial institutions on this list are required to pay public entities on a **360 day basis** on CD's issued for \$100,000 and over. You should make your institution aware of this when purchasing CD's.
